

SILVER CREEK

DENTISTRY

& ORTHODONTICS

Effective Friday, March 20, 2020

After receiving the absolute most recent recommendations from the CDC, we have made the difficult decision to **temporarily suspend** all orthodontic and hygiene treatment for at least the next 3 weeks. The Doctors will continue to be here for all essential dental care. If you have any upcoming appointments with one of our doctors, or are in need of essential dental care or emergency orthodontic care, we are here and will continue to do our part to insure your health and safety. Our office will remain open Monday through Thursday (closed on Fridays) from 8:00am – 5:00pm in order to provide our patients with ESSENTIAL DENTAL CARE. Please call us if you have any dental needs or question. These changes will go into effective **Friday, March 20, 2020**.

We will continue to monitor and re-evaluate the COVID-19 situation moving forward. The health and safety of our patients, staff and their families are of utmost importance.

We understand that this will likely be an inconvenience to you, and we will do our best moving forward to reschedule you in a timely and convenient manner. Thank you for your understanding.

Sincerely,
